2. Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

1. I acknowledge receipt of your request that I waive service of a Notice in Lieu of Summons in the action of *United States v. Walker River Irrigation District*, which is docket number In Equity C-125, Subfile C-125-B, in the United States District Court for the District of Nevada.

2. I have also received a copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA, the FIRST AMENDED COUNTERCLAIM OF WALKER RIVER PAIUTE TRIBE, the CASE MANAGEMENT ORDER (Apr. 18, 2000), two copies of a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE, a copy of the ORDER – DISCLAIMER OF INTEREST and related form, a copy of the ORDER REGARDING CHANGES IN OWNERSHIP OF WATER RIGHTS and related form, two copies of this instrument (WAIVER OF SERVICE OF NOTICE IN LIEU OF SUMMONS), and a means by which I can return the signed waiver to you without cost to me.

3. I agree to save the cost to me of service of a Notice in Lieu of Summons and an additional copy of the FIRST AMENDED COUNTERCLAIM OF THE UNITED STATES OF AMERICA and the FIRST AMENDED COUNTERCLAIM OF THE WALKER RIVER PAIUTE TRIBE in this lawsuit by not requiring that I (or the entity on whose behalf I am acting) be served with judicial process in the manner provided by Rule 4 of the Federal Rules of Civil Procedure.

4. I understand that if I waive service of a Notice in Lieu of Summons, I must mail a NOTICE OF APPEARANCE AND INTENT TO PARTICIPATE to Susan L. Schneider, attorney for the United States, and I may use the same envelope provided for return of the waiver of service.

5. I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the Court except for objections based on a defect in the Notice in Lieu of Summons or in the service of the Notice in Lieu of Summons.

Duty to Avoid Unnecessary Costs of Service of Notice in Lieu of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the Notice in Lieu of Summons and the First Amended Counterclaims. An entity (such as yourself) located in the United States who, after being notified of an action and asked by a plaintiff (here the United States and Tribe) located in the United States to waive service of a Notice in Lieu of Summons, fails to do so will be required to bear the cost of such service unless good cause be shown for its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the claims of the opposing parties are unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the Notice in Lieu of Summons retains all defenses and objections (except any relating to the Notice in Lieu of Summons or to the service of the Notice in Lieu of Summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

An entity in this case who waives service must, within 60 days, as specified on the waiver form, provide the court and DOJ attorney S. Schneider with a notice of appearance and intent to participate.

Re: United States v. Walker River Irrigation District, No. C-125-B
Status of Water Rights in Walker River Basin, Mason Valley Sub-Basin

Dear Ms. Schneider:

This letter follows my August 29, 2003 correspondence to you on behalf of Atlantic Richfield Company ("Atlantic Richfield") and others concerning the above referenced case. In that letter, which was accompanied by a Waiver of Service signed by me on behalf Atlantic Richfield, we informed you that Atlantic Richfield was reviewing records to assess whether Atlantic Richfield, Anaconda Minerals Company ("Anaconda") and Applied Hydrology Associates, Inc. ("Applied Hydrology") own any water rights implicated in this adjudication and whether these three entities are appropriate counterdefendants in this litigation. Since the date of that letter, the Court has dismissed Applied Hydrology from this action, and determined that service upon Anaconda and Atlantic Richfield is complete. *See Order Concerning First Report of United States of America Concerning Status of Service on Certain Persons and Entities*, December 1, 2004.

As a result of the United States' claims on behalf of the Walker River Paute Tribe to priority water rights in the Walker River Basin, all claimants to water of the Walker River and its tributaries, including groundwater, have been designated as counterdefendants in this case. As I understand the April 18, 2000 Case Management Order ("CMO"), counterdefendant categories include: (1) all holders of permits or certificates "to pump groundwater" issued by the State of Nevada within Sub-Basin 108 (Mason Valley); and (2) all holders of "vested rights" to the use of groundwater under the laws of the State of Nevada within the Walker River Basin.

We have reviewed the Nevada Department of Conservation and Natural Resources, Division of Water Resources ("DWR") online Water Rights Database, Well Driller Log Database and Title Database pertaining to wells located in the Walker River Basin, Mason Valley Sub-Basin, as those wells relate to Anaconda, Atlantic Richfield and ARCO Environmental Remediation, LLC ("AERL"). Exhibit A to this letter summarizes information compiled from the DWR Databases and from well related documents. Exhibit B provides relevant entries in DWR's Well Log Database. Exhibits C through F contain collections of supporting well related records pertaining to Anaconda, Atlantic Richfield and AERL.

Based on database information and records examined, we represent the following facts on behalf of Atlantic Richfield and AERL:

- Anaconda is a predecessor to Atlantic Richfield that is no longer in existence, even though it is identified in the DWR Well Log Database as the owner of several wells located in the Mason Valley Sub-Basin. See Exhibits A, B and C. Twelve of these wells consist of monitoring wells and abandoned test holes. Pursuant to State of Nevada regulations concerning vested water rights, appropriation of public waters, and underground water and wells (Nevada Admin. Code 533.010 *et seq.*, and 534.010 *et seq.*), monitoring wells which do not remove groundwater and are installed to comply with federal and state environmental requirements do not result in an appropriation of groundwater. Therefore, these monitoring wells do not represent vested groundwater rights in Walker River Basin that are subject to this litigation.

Anaconda is also identified as the owner of several production wells under permit and certification, as delineated in Exhibit A and documented in Exhibit C. Anaconda also applied for and received Permits Nos. 49222 and 49223 from the Nevada State Engineer, dated December 16, 1985, to appropriate groundwater in Mason Valley Sub-Basin from five production wells (PW-01, PW-02, PW-03, PW-04 and PW-05). However, Atlantic Richfield is identified as the official current owner of these wells, which are used for remedial purposes at the Yerington Mine Site. See Exhibit F. DWR's Databases and the well records demonstrate that all the production wells Anaconda once owned are now owned by other parties (e.g., Arimetco, LTR Enterprises, Tibbals and Dye), with the exception of three proposed production wells (Log Nos. 12835, 12836 and 15466) that Anaconda drilled in 1972 and 1976. See Exhibit A. However, there is no indication from the DWR Databases or well related records that permits or certificates were ever obtained for these three wells or that Anaconda, AERL or Atlantic Richfield ever actually put these well into production.

- "Mark Flickinger ARCO" is identified in DWR's Well Log Database and in well records as owning six monitoring wells in Mason Valley Sub-Basin. See Exhibits A and D. Mr. Flickinger is a former employee of Atlantic Richfield, and Atlantic Richfield should be appropriately identified as the current owner of these wells. Relevant to the lawsuit, these wells are used strictly for monitoring related to the Yerington Mine remediation project and have no consumptive uses of groundwater. Therefore, as with the Anaconda monitoring wells, these wells are not implicated in this case.
- AERL is identified in DWR's Databases and the well records as the owner of wells subject to Permit Nos. 64498-E and 64499-E (no certificates have been issued for these wells). See Exhibits A and E. The Nevada State Engineer issued Permit Nos.

Susan L. Schneider, Esq.
August 15, 2007
Page 3

64498-E and 64499-E to AERL for appropriation of groundwater in Mason Valley Sub-Basin from six production wells (PW-06, PW-07, PW-08, PW-09, PW-10 and PW-11). These wells are currently used in association with the Yerington Mine remediation project. AERL owns no other groundwater pumping wells or vested water rights of record in Walker Basin, Mason Valley Sub-Basin.

- Atlantic Richfield is identified in DWR's Databases and the well records as the owner of wells subject to Permit Nos. 49222 and 49223 (no certificates have been issued for these wells). See Exhibits A and F. These wells are active and used in association with the Yerington Mine remediation project. Atlantic Richfield is not aware of any other groundwater pumping wells or vested water rights of record owned by Atlantic Richfield in Walker Basin, Mason Valley Sub-Basin.

Given that Anaconda no longer exists as a corporate entity, and that any wells Anaconda drilled and owned in Walker Basin, Mason Valley Sub-Basin are: (1) now owned by third parties, including Atlantic Richfield and AERL; (2) are not now or have ever been used for production after completion; (3) or are not groundwater pumping wells implicated in this case, I believe it is appropriate that the United States dismiss Anaconda as a counterdefendant. Atlantic Richfield and AERL are the real parties in interest under permits issued by the State of Nevada to pump groundwater from Walker Basin, Mason Valley Sub-Basin. Thus, Atlantic Richfield and AERL are proper counterdefendants in this litigation, under the April 18, 2000 CMO guidelines. Atlantic Richfield and AERL are prepared to accept the Court's further rulings in this matter, and we will consider appropriate stipulations to facilitate resolution of the litigation.

Please contact me or Steve Marlin of my office to discuss any issues raised by this letter, or the enclosures or any other issues related to this litigation. Steve may be contacted at (303) 892-7205. We look forward to speaking with you at your convenience when you have considered the matters addressed above and the enclosures.

Sincerely,

William J. Duffy
